

**STATE WATER RESOURCES CONTROL BOARD
BOARD MEETING SESSION – DIVISION OF WATER QUALITY
JULY 24, 2018**

ITEM 6

SUBJECT

STRATEGY TO OPTIMIZE RESOURCE MANAGEMENT OF STORMWATER (STORMS)
UPDATE

DISCUSSION

On January 6, 2016, the State Water Resources Control Board (State Water Board) adopted a resolution approving STORMS as a strategy to guide the Stormwater Program for the next ten years. Because of the significant stakeholder interest and unique implementation measures included in this strategy, the State Water Board in adopting [Resolution No. 2016-0003](#) directed staff to provide periodic updates on the status of the strategy. This informational item will include updates on two of the ongoing Phase I projects to (1) Promote Stormwater Capture & Use and Identify & Eliminate Barriers; and (2) Identify and Eliminate Barriers to Stormwater Program Funding.

POLICY ISSUE

None.

FISCAL IMPACT

None.

REGIONAL BOARD IMPACT

None.

STAFF RECOMMENDATION

None, this is an informational item only.

<p>State Water Board action on this item will assist the Water Boards in reaching Goal 4 of the Strategic Plan Update: 2008-2012 to comprehensively address water quality protection and restoration, and the relationship between water supply and water quality, and describe the connections between water quality, water quantity, and climate change, throughout California's water planning processes.</p>
